A woman with dark hair and a bright smile is the central figure. She is wearing a light blue short-sleeved dress with subtle floral embroidery on the chest and shoulders. She is holding a white and black Champion GEM 1HP mixer grinder in her left hand, with her right hand resting near her waist. In the background, there is a row of four different colored mixer grinders: green, red, white, and black. The main product in the foreground is a larger, more detailed view of the white and black model. To the right of the woman, there is a circular badge with the text "HYBRID MOTOR". Above the badge, a red arrow points to the right with the words "New Arrival" written in a white, cursive font. Below the badge, there are two circular icons: one blue circle containing "1HP" and another blue circle containing "24 Months WARRANTY ON MOTOR". Further down on the right, the word "GEM" is written in large, bold, white letters. At the bottom right, there is a small white box containing the text "4 JARS", "MRP INCLUSIVE OF ALL TAXES", and "₹. 3188/-".
